

1) OVERVIEW

The Mitsui Sumitomo Insurance Welfare Foundation (MSIWF) was founded in 1975 in Japan and dedicates itself to practicable research in the areas of **traffic safety** and **senior citizen welfare**. To date, the foundation has handed out more than 2,027 awards with a combined value of JPY 2,342 million (S\$28.6 million).

The grant was made available outside of Japan for the first time in 2007, beginning with Singapore. From 2008, the grant was extended to Thailand. MSIG Holdings (Asia) Pte Ltd (“MSIG Asia”) is the acting liaison for the foundation in both countries.

2) RESEARCH AREAS

In Singapore, applications are welcomed for the following subjects:

<u>SENIOR CITIZEN WELFARE</u>	<u>TRAFFIC SAFETY</u>
<p><i>Eligible Projects</i> Scientific research in gerontology, including public policies, social and economic effects of ageing population on society, physical, mental and social changes of ageing population, demography, medical support, provision of care, etc., broadly aimed at improving senior citizen welfare.</p> <p><i>Scope</i> Senior citizens, senior citizen illnesses and diseases, medicine, aging phenomenon, Alzheimer’s disease, recognition capabilities, chewing/swallowing functions, residential medical treatment, rehabilitation, living disabilities, nursing, care giving, enhancement of health, psychology, value of life, prevention of falls, welfare equipment, barrier-free environment, social welfare worker, social welfare facilities/town planning, etc.</p> <p><u>Selection Committee</u> <u>Committee Chairman</u></p> <ul style="list-style-type: none"> • Yasuyoshi Ouchi President, Toranomon Hospital <p><u>Members</u></p> <ul style="list-style-type: none"> • Hiroko Ooizumi Former Member of The House of Representatives • Keiko Kodama Professor Emeritus, Japan College of Social Work • Kenji Shimazaki Professor, National Graduate Institute for Policy Studies • Toshihiko Iwamoto Professor, International University of Health and Welfare Shioya Hospital 	<p><i>Eligible Projects</i> Scientific research in the areas of traffic environments, vehicular engineering, public traffic safety education, treatment and rehabilitation for victims, policies, licensing, standards, etc., broadly aimed at improving traffic safety and/or preventing traffic accidents and disasters.</p> <p><i>Scope</i> Road traffic systems, high accident areas, traffic signs and lights, traffic junctions, traffic flows, barrier-free areas, driving, prevention of rear collisions, in-vehicle safety measures (seat belts, child restraint seats, etc.), bicycles, ergonomics, human injuries, emergency treatment, sleep apnea syndrome, first-aid systems, traffic safety measures, investigative studies in consciousness, safety education, measurement of effectiveness, pedestrians, senior citizens, children, community roads, public policies, licenses, etc.</p> <p><u>Selection Committee</u> <u>Committee Chairman</u></p> <ul style="list-style-type: none"> • Kunimichi Takada Professor Emeritus, Nihon University <p><u>Members</u></p> <ul style="list-style-type: none"> • Haruo Suzuki Professor Emeritus, Chiba University • Takeki Ogawa Professor Emeritus, The JIKEI University School of Medicine • Hiroo Ohta Professor Emeritus, Tohoku Institute of Technology • Taro Sekine Professor, Nihon University

3) GRANT AWARD

Each grant award carries a maximum amount of **S\$10,000**.

4) GRANT PERIOD

The length of research covered by the grant is one year. Research projects should commence in December 2018 or January 2019.

5) ELIGIBILITY

Singapore-based researchers and academics are invited to apply. Both individual and group proposals are acceptable. Young researchers are especially welcomed to apply. Members of for-profit organisations and research projects that have been completed are not eligible.

6) APPLICATION FORM

The Application Form consists of 5 parts, all of which must be completed and typed.

- A. GENERAL INFORMATION
- B. RESEARCH PLAN
- C. RESEARCH TEAM (*include a CV of the Primary Researcher*)
- D. REFERENCE
- E. BUDGET PROJECTION (*note the categories of permissible expenses and include catalogues and quotations as necessary*)

Be sure to proof-read applications for clarity, grammar, spelling and math. The foundation reserves the right to reject applications that are incomplete, inaccurate or fail to attach supporting documents. Falsification of information may result in the revocation of grants.

Submit applications (.doc/.pdf formats only) to the CSR team at communications@msig-asia.com.

7) APPLICATION DEADLINE

Completed applications must be received by **22 June 2018 (Friday)**.

8) REVIEW CRITERIA

All completed applications will be reviewed by a selection committee. Shortlisted applications will be subjected to a second review by the MSIWF Board. All decisions are final.

Applications must meet at least one of the following criteria:

- I. Necessity in receiving grant from MSIWF
 - a. The project is unable to receive aids/grants from public organisations or other means due to the interdisciplinary and/or budding nature of the research, or due to the inexperience/lack of substantial track record of the researchers, such that the grant from MSIWF is essential and instrumental to allow the project to proceed.
- II. Originality, Practicality, Social Significance
 - a. The project is original in its research subject and/or employs an original research methodology.
 - b. The project demonstrates ability to analyse current issues and apply insightful measurements.
 - c. The project has great social significance and strong practical applications.
 - d. The project achieves the aim of improving traffic safety or senior citizen welfare, with broad local, regional and/or future implications.

9) NOTIFICATION

Both successful and unsuccessful applicants will be informed of the outcome in November 2018. MSIWF and MSIG Asia regret that they will be unable to provide feedback to unsuccessful applications.

Successful applicants will be invited to attend the Award Ceremony in Singapore on **21 February 2019**.

10) OBLIGATIONS OF GRANT RECIPIENTS

- I. Before receiving the grant, each successful applicant should endorse a “Document of Formal Agreement” to acknowledge the grant terms and conditions.
- II. “Report of Research Results” and “Report of Utilisation of Research Grant”
 - a. The “Report of Research Results” and “Report of Utilisation of Research Grant” should be submitted within **one (1) month from the end date of the grant period**. In the event that the above documents are not received within the said time frame, without the explicit consent from MSIWF for an extension, MSIWF reserves the right to revoke the research grant.
 - b. The “Report of Research Results” shall be incorporated in the *Compilation of Reports of Research Results* which is slated to appear on the MSIWF website. In addition, it will also be registered in the Academic Research Database Repository of the National Institute of Informatics (NII-DBR) (<https://dbr.nii.ac.jp>). With the exception of the above, all literary rights and patents with regards to this grant belong to the grant recipient.

11) ANNOUNCEMENT OF RESEARCH RESULTS

In principle, results of all MSIWF grant-funded research should be announced in academic journals. Acknowledgements of the MSIWF research grant should be included in such announcement(s). Copies of the official announcement(s) should be forwarded to MSIWF.

12) HANDLING OF PERSONAL INFORMATION

- I. MSIWF and MSIG Asia shall limit the use of personal information obtained in relation to the research grant to areas pertaining to the selection of grant recipients.
- II. Once a decision has been made regarding grant recipients, MSIWF and/or MSIG Asia shall release to the public details such as the names and affiliations of the recipients, grant award amount etc. In addition, the “Report of Research Results” that is submitted for inclusion in the *Compilation of Reports of Research Results* may also be released to third parties.
- III. MSIWF and MSIG Asia shall act appropriately and promptly to requests made for the termination of release of the above-mentioned information to third parties.

For any questions, please contact us at communications@msig-asia.com or call 6827 7822.
